Vasili, Paul, comte, pseud.
In her introduction to "Confessions of the Czarina" Princess Catherine Radziwill acknowledges the authorship of "Behind the veil at the Russian court" and "La societe de Berlin" published under the pseudonym of Count Vassili. She adds "The success of 'La societe de Berlin' induced Madame Adam publisher of Nouvelle Revue to publish other letters in the same style, devoted to other European capitals, with which, however, I had nothing to do, except those dealing with St. Petersburg life. The pseudonym of Count Paul Vassili remained a kind of public property divided between the Nouvelle Revue and my poor self."
